FRIDAY... Remember the 70's with tie-dyed shirts and bell-bottom pants? If you do, then you will enjoy our theme of "Stayin' Alive"! Check-in, pick up your "goodie bag" and get settled in your room but be sure to bring your appetite! Enjoy a delicious buffet dinner, so eat healthy or splurge—that's what this weekend is for! Then sit back and listen and laugh with nationally known speaker **SUE BUCHANAN** from Nashville, Tenn. as she shares her story of survivorship! In case you are still hungry--, there's **CAKE** at our annual Birthday Party in recognition of our 11th Women's Weekend. The rest of the evening is yours to relax in the hot tub, visit new and old friends, play table games, or watch a classic Carol Burnett show.

SATURDAY... Deb will start our day by getting us moving and awake before enjoying a great breakfast. Then Sue will remind us how to celebrate each day of "Stayin' Alive!" Put your smile on for the Group Picture which will be available online after the event. Your choices of breakout sessions include lots of fun and pampering, and a special session by Dr. Holmberg on Reflexology. After lunch, Roseanne Critchlow from Williamson, New York will focus on issues that are part of the cancer journey. Roseanne has spoken at many national cancer meetings, and shares her wisdom in a caring and compassionate way. The afternoon breakouts are filled with more time for fun and pampering! Roseanne will present a special session on questions you may have about some very important issues. All sessions are yours to enjoy on **YOUR** schedule! Since this weekend is ALL ABOUT YOU, after dinner you will have the opportunity to appear on the GONG SHOW!! If you sing, play an instrument, or have a goofy skit or funny poem, we want to hear from **YOU**- the goofier the better! The evening will close with Bingo, visiting, table games, a dip in the hot tub and more Carol Burnett or humor videos.

SUNDAY... It's always difficult to say goodbye to new and old friends, but you still have the morning to enjoy. The Sunday Morning Celebration will inspire and uplift our spirits as Don & Benita share their musical talents. After a moving Survivor Celebration, you'll have an opportunity to share your thoughts about the weekend. We'll close with our annual traditional Thanksgiving meal! You can head for home around 12:45 pm with hugs and farewells, a new "Family of Friends", and the renewed energy to face each new day ahead.

THIS IS A NON-SMOKING WEEKEND—NO SMOKING WILL BE PERMITTED INSIDE OR OUTSIDE OF THE BUILDINGS OR ON ANY OF THE GROUNDS.
