

# ***AUD SQUAD***

## **In Memory of** *Audrie Sparks*

The Aud Squad was formed in memory of  
Audrie Farrell Sparks (6/12/71 - 5/12/2009).

Audrie was a devoted mother, daughter, sister and friend. She was bright and funny and incredibly smart. She was a tireless worker and had a quick and clever wit. When she laughed it was genuine and contagious. She loved Christmas and giving gifts! She loved the song “I Can Only Imagine” by MercyMe, and we are comforted that she is walking with Jesus. But we miss her every day.

Audrie was fiercely protective of the people she loved and she fought hard to be well - especially for her children Emily and Joel. She was deeply humbled by her illness and so grateful for the love and support that she received while in treatment. She was very impressed with the special care that Victory in the Valley offered to cancer patients, and it was her desire and intention to give back and volunteer with Victory in the Valley as soon as she was able.

Since Audrie never had the opportunity to do that, it is our family’s great honor to support Victory in the Valley in her memory.
