

Memorial Bricks

Victory in the Valley, Inc. has established a memorial garden at Victory House which was dedicated on June 6, 2004. This beautiful garden has been named the "**Connie Mills Meditation Garden**" and was designed and donated in loving memory of Connie Mills by Tree Top Nursery & Landscape. The memorial bricks are permanently placed in tribute to those who so courageously fought their battle with cancer. You may now order a brick inscribed with the name of friend or loved one, as a lasting memorial given in celebration of their life. For a suggested donation of \$25 a brick will be inscribed with the name of your friend or loved one, and placed in the Meditation Garden as a lasting memorial given in celebration of their life.
